IN DETAIL:

An accomplished investor in the health and wellness space, Steven has notable investments including Huel - UK's fastest growing e-commerce company internationally, and Zoe - the personalised nutrition programme created by the world's top scientists. Known for his innovative and disruptive approach to social media marketing, Steven co-founded Flight Story, a marketing and communications company that works with leading brands. He also launched his own private equity fund, Flight Fund, to accelerate the next generation of European unicorns. Steven co-founded thirdweb, a software platform, backed by Shopify and Coinbase. Steven is focused on inspiring a new generation of entrepreneurs and creators from a BAME background and much of his work after winning the "British Black Entrepreneur of the year" award focused on disadvantaged schools and communities.

WHAT HE OFFERS YOU:

Steven aims to inspire generations new and old by helping them overcome their fear around achieving big. Combined with this passion comes a great knowledge for social media and upcoming trends.

HOW HE PRESENTS:

An enthusiastic speaker, full of energy and positivity who inspires and motivates audiences around the globe offering an added-value experience to each event.
