

Sunny Grosso

Founding Member of the DH coach|sulting® team

"Thriving teams & businesses know – it starts with culture"

Sunny Grosso has spent a colourful career building relationship, from sake trainings in California to coaching teams around the world. Sunny joined Delivering Happiness to build and expand the coaching team. She now holds the role of Coaching & Culture Chief, leading the team to create more successful companies through sustainable workplace change and the science of happiness.

TOPICS:

- Happiness as a Business Model
- Starting, Scaling and Sustaining Culture
- Happiness is a Choice
- Culture as a Competitive Advantage

LANGUAGES:

She presents in English.

IN DETAIL:

For over a decade, Sunny has been inspiring and impacting organisations around the world, bringing her expertise to 20 countries and hundreds of teams. She is leading the charge for more purposeful organisations that create better human experiences, leading to greater business results. As a founding member of DH, she launched the approach that helped propel them to a global brand using her expertise in wellbeing and experience as one of the world's first happiness consultants. She is also the co-founder of East+West Wellness, CEO of Culture Trails, and founder of SunYoga.

WHAT SHE OFFERS YOU:

Sunny strives to inspire others to live big, by being true to themselves and courageously following their passion. An ORSC trained coach (Organisational Relationships Systems), Sunny, the "Culture Godmother" guides audiences in ensuring their values are aligned and they walk their talk.

HOW SHE PRESENTS:

Sunny brings her diverse background, enthusiastic approach, and proven methods to deliver genuine outcomes, tapping into highs and lows to create cultures that adapt and thrive through changing times.
