LANGUAGES:

Todd presents in English.

IN DETAIL:

As an award-winning journalist, he has conducted high-profile interviews with figures like Mikhail Gorbachev and Alan Greenspan, along with top CEOs in his CNN series, "Benjamin's Boardroom." Today, Todd focuses on speaking and moderating conferences worldwide, leveraging his international experience and engaging style to energise and inform audiences. He remains a valuable contributor to CNN, offering live commentary, analysis and a popular blog covering the economy, financial markets, and energy. Additionally, Todd serves as a senior advisor to Xynteo, an international management consultancy working with prominent clients, and he imparts his leadership insights as a visiting lecturer at the London Business School Executive Education program.

WHAT HE OFFERS YOU:

A consummate professional, Todd shares his wide-ranging international experience and informed opinions of financial and economic markets as well as issues of globalisation. His expertise in interviewing key business and political leaders has made him a popular choice as a moderator at global events.

HOW HE PRESENTS:

Todd is renowned for his insightful questions, energetic pacing and his effortless ability to inspire people to probe issues. His charismatic ability to engage the audience as well as panel members always guarantee a very lively and thought provoking debate.
