2019 High Frequency Change

IN DETAIL:

Tom advises a diverse clientele, including global Fortune 500 corporations, government departments, industry bodies, and charities. Using his unique toolkit, now taught and licensed to others, he identifies critical intersections between current macro trends and specific stresses within each client's organisation. Tom is a familiar face in the media, making frequent appearances on TV and radio, including *BBC Breakfast*, *Channel 4's Sunday Brunch*, *5live*, *Radio 4*, *and TalkRadio*. His insights are also featured in leading publications such as *The Guardian*, *The Times*, *and The Evening Standard*, totalling over two thousand broadcast appearances.

WHAT HE OFFERS YOU:

Tom Cheesewright is a compelling speaker who seamlessly blends inspiration and awe with his vivid stories of the future. With his unique 'Futurist's Toolkit,' he analyses industries, impressing audiences with profound insights and an exclusive perspective on their path forward.

HOW HE PRESENTS:

Tom will help you and your audience to connect tomorrow's world to today's experience, and make sense of what's happening next, and why.
